Drugs in Breastmilk Information

Our team of qualified
Pharmacists volunteer their time
to answer your enquiries by
email and Facebook Messenger
365 days a year

Can I take this
medication?

Could taking
this medication
harm my breastfed
child?

Should I stop
or continue
breastfeeding?

Got a question about medications and breastfeeding?

The Breastfeeding Network's Drugs in Breastmilk team are here to support you. Get evidence-based information from our small team of volunteers, all qualified professional pharmacists with their own experience of breastfeeding.
